*ORDER No. FL. (B) 7123-233-C.R. 1-53-8, DATED BANGALORE, THE 18TH SEPTEMBER 1953.

The proposals of the Accountant-General, Mysore, are approved and the introduction of the following revised provisions under Article 62, Mysore Financial Code, Volume I, and Article 80 (a) of the Mysore Treasury Code in lieu of the existing provisions are ordered:-

The first sentence of Article 62, Mysore Financial Code, Volume 1: When a Government servant, whether Gazetted or non-Gazetted, who usually draws cheques or bills or countersigns bills payable at a treasury, makes over charge of his office to another, he should send a specimen of the relieving officer's signature to the Treasury Officer in order that the latter may satisfy himself as to the validity of the bills presented by him. Article 80 (a), Mysore Treasury Code:—When a cheque is presented should be taken to ascertain by examination of its printed number that it was taken from the book notified as in use by the officer who is said to have it. Care should also be taken to ensure that the signature on the cheque agrees with the specimen of the signature of the drawing officer filed in the treasury. The instructions given in Articles 50 to 58, Mysore Financial Code; Volume I, should be specially borne in mind.

Secretary to Government,
